Once again HAWS will be holding our Kids 'N Critter's Day Camp during the summer of 2009. There will be 11 sessions of children ages 7-14 years of age attending the camp at HAWS. The children will learn about responsible pet ownership, respect for all living things, human impact on the eco-system, and what humans can do to make this world a better place. The children will be able to interact and learn about all different types of animals, spend some time volunteering at the shelter, and will go on field trips to learn about both wild and domestic animals.

We would like to offer scholarships to children of families who would not be able to send them. One of the ways we can continue to do this is through business camp sponsorship.

Scholarships not only provide an opportunity for children who love animals, but also those that may not have had much interaction with them. One of our scholarship recipients was terrified of many of the animals the first day of camp – including a guinea pig. By the end of the week she was asking for us to bring out her favorite animals. Her mother reported a marked increase in her self esteem.

Some of the children are at-risk kids from homes where they have experienced violence. One of the boys with such a background spent the whole week at our camp giggling and smiling. The staff providing counseling services to his family told us this was the first time they'd ever seen him laugh.

The cost of the business sponsorship is \$250.00. Sponsorship entitles your organization to have your logo displayed on camp t-shirts, on the Kid's 'N Critters page of the HAWS website, and also to be acknowledged in the HAWS newsletter.

For a sponsorship of \$100.00 you can contribute to a child's free attendance at our Kids 'N Critter's Day Camp, and we will place your logo on the Kid's 'N Critters page on the HAWS website.

Enclosed is a sponsorship agreement form, as well as a camp brochure. I'd like to thank you in advance for taking the time to read this letter. Please call me with any questions you may have.

Sincerely,

A handwritten signature in cursive script that reads "Khris Erickson".
